

"EMPIRE ENDURANCE"

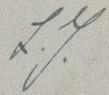

Mdb.No.16891

=====

The NHP of this vessel is 1190, estimating the BHP of the L.P. turbine to be 2000, and the Rule Fee for special survey of the machinery during construction would be £129-15-0.

For surveys for classification as in the present case it is the practice to charge 35 per cent of the Rule Fee, making the fee in this case £45.

It is submitted the Surveyors be advised accordingly and also instructed to charge a corresponding fee for the survey of the Electrical Equipment.
