

s.s. "ALSTER".

-----  
Built at Hamburg in 1928. Gross Tonnage: 8514.  
----

The above vessel is a prize ship and the Ministry of Shipping has requested that she be surveyed with a view to classification with this Society. The vessel is expected to arrive in Middlesbrough this week.

It is submitted the Middlesbrough Surveyors be informed that it will be necessary for a No.3 Survey to be held and that the particulars of scantlings, equipment etc., should be reported on a First Entry Report Form. If plans are available they should be forwarded to this Office for examination as soon as possible.

In the event of the survey not being completed at Middlesbrough the vessel should be generally examined with a view to 100A1 Class Contemplated Examined (with date) in red being recorded in the Register Book.
