21 JUL 1945

Dear Sirs,

S.S. "FORT ST. JOSEPH"

With reference to my letter of July 28, 1944, information has been received that this ship is at present undergoing survey at Newcastle-upon-Tyne and the Society's surveyors at that port have requested the issue of the official International load line certificate.

As this certificate and one certified copy with deeper loading endorsement forms attached are presumably <sup>and</sup> ~~not~~ in your possession, and in order that they may be placed on board so soon as possible, I shall be obliged if you will send the documents direct to the following address:-

British Corporation Register of Shipping,  
Mawson Buildings,  
13, Mosley Street,  
NEWCASTLE-UPON-TYNE, 1.
