21 JUL 1945

Dear Sirs,

S.S. "FORT ST. JOSEPH"

With reference to your letter of July 18, I enclose copy of a letter addressed to the managers of this ship.

On receipt of the International load line certificate, which was issued in July 18, 1944, you might be good enough to insert the endorsement in respect of the present annual load line survey, and report in the usual way.

Yours faithfully,

ASSISTANT SECRETARY

The Surveyors,  
NEWCASTLE.
