Dear Sirs,

*M. 1123*

s.s. "Fort St. Joseph"

We are in receipt of your notice of 19th inst.,  
that annual Load Line and Classification survey is due in  
November 1944.

We may mention that this vessel is at present  
away on a rather extended voyage and we are not in a position to  
name a date when this survey can be held. However, arrangements  
will be made at the first opportunity on her return to this side.

Yours faithfully,

CAPPER, ALEXANDER & Co.
