

Received by Chief Ship Surveyor _____

Received from Chief Ship Surveyor _____

VESSEL'S NAME Steel T. S. S. "Mooltan" Rpt. Bel No. 8970

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey First Entry.

To await Freeboard Report.

see letter
rec. 11/10/23.

It is submitted that in the meaning the Surveyors be requested to state whether the bulkheads other than the collision bulkhead, and the thickness of the rudder plate are as approved, as no plans are available in this office.

Also whether the breadth of buttstraps of flat plate keel, promenade sheerstraps, and sheerstroke clear of Long Bridge are as required by the Rules, and the thickness of buttstraps of sheerstroke clear of Long Bridge are as approved.

L. B. Bel. 8/10/23.
