The Secretaries,

Dear Sir,

I beg to advise you that the new T.S.S. "MOOLTAN" has sailed from Belfast to London, and to complete the survey to entitle the vessel to the record M.M.C. 9-23, flexible wire ropes for operating the self closing sluice valves on the oil fuel bunkers require to be fitted. This will be done on the vessel's arrival in London.

The First Entry Report will be forwarded in the course of a few days.

I am, Dear Sir,
