Dear Sir,

s.s. "NEDJAN".

We have to confirm our telephone conversation with Mr. J. Hodgson, Chief Ship Surveyor, yesterday to the effect that the enquiry into the loss of the above ship in the Baltic with all hands in January last will be held at Gävle on the 18th inst. at 10 a.m. and the Court desires that a representative of the Society should be present to answer any questions which may be put.

If it is not intended that anyone from Headquarters should attend the enquiry perhaps you will be good enough to forward us extracts from recent reports of survey of the ship and machinery together with any other information which would be of assistance.

Yours faithfully,

THE SURVEYORS, Gothenburg.
