Dear Sirs,

13 OCT 1953

assn.(H).

S.S. "VAGPORT"

I shall be obliged if you will kindly let me know what arrangements you propose making to carry out the Boiler Survey on this vessel, which became due at the end of July last.

I take this opportunity to remind you that although the Society's Rules require classed ships to be examined in drydock at intervals of approximately one year, the last examination in drydock of this vessel, according to the records in this Office, was held in July 1952, and I shall also be glad to learn what arrangements you propose making to carry out this survey.

Yours faithfully,

Clerk to the  
Classification Committee.
