

The validity of the present "Examined" notation expired 8.48.

The date of the last Special Survey is No. 1 - 48.

The Surveyor's proposal for the classification on the basis of early General Examinations was approved by the Committee in 8.47.

For conditions of class see below endorsement.

19th September, 1949.

The BOMBAY Surveyor reports 11.48 and 12.48. The vessel is a steel-hulled motor vessel, bottom coated and a GENERAL EXAMINATION held.

Dear Sirs,

"SAN ZOTICO"

I beg to remind you that the period of validity of the "Examined" notation assigned to this vessel will expire at the end of November next, when the Load Line Certificate will also expire. I shall accordingly be obliged if you will kindly let me know what arrangements are proposed to be made for the submission of the vessel to Special Survey and survey for renewal of the Load Line Certificate.

I take the opportunity to point out that the Boiler Survey will also become due at the end of November next.

Yours faithfully,

Messrs. Eagle Oil & Shipping Co.,
16 Finsbury Circus,
LONDON, E.C.2.

Clerk to the
Classification Committee.
