Mersey House,  
Quai de Rouen, 1,

Antwerp, 3rd December 1936.

E Dear Sir,

We are forwarding under separate cover for approval two samples of electric cables proposed to be fitted in Messrs. Cockerill's yard No. 657 having Burmeister & Wain's engines and auxiliaries with two 50 KW and one  $7\frac{1}{2}$  KW generator sets of 220 Volts.

We shall be glad to know as soon as possible if these cables will be approved, so that the cables might be ordered in good time.

We are, Dear Sir,

Yours faithfully,

The Surveyors,

per.-

These figures will be included in the report which is being prepared for the Board of Directors of the company.

As a result of the above

it is recommended that the Board should

approve the proposed dividend of 10% for 1956.

The Board is requested to consider the above proposals and to advise the Chairman of the Board of the results of their deliberations.

Very truly yours,

Chairman
