Lloyd's Register of Shipping.

71, Fenchurch Street, E.C.3.

6th April, 1937.

Dear Sirs,

E.

I am returning under separate cover two copies of the plan, forwarded with your letter of the 25th ultimo, of riveted air receiver proposed for Messrs. John Cockerill's Yard No.657, and have to acquaint you that this plan (No.D03612) will be approved, as shown and amended, for a working pressure of 25 kg. per sq. cm., provided the air receiver be constructed under the usual conditions of survey and testing.

It will be noted that to meet the requirements of the Society's Rules, the pitch of the rivets in the outer row of the longitudinal seam should be 130 mm.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
ANTWERP.
