Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

29th April, 1937.

Dear Sirs,

M.

I duly received Mr. Wray's letter of the 20th instant advising two plans (in triplicate) shewing the details of the hold pillars proposed to be fitted in Messrs. Soc. Anon. John Cockeill's Yard No. 657. It is observed however, that while one plan was submitted in triplicate, only two copies of the other plan were received, the other copy being a plan of another ship.

I am therefore returning to you to-day, under separate cover, two copies of one of the plans and one copy of the other, and have to state that provided the arrangements be carried out as shewn and amended thereon and to your satisfaction, they will be approved.

The remaining copy of each plan is being retained for reference.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
ANTWERP.
