## REQUEST FOR INSPECTION SERVICES.

DATE *Feb. 22nd/1936.*

We confirm our request to the Committee of Lloyd's Register, that they will instruct the Society's Surveyors to furnish their services in connection with the manufacture of ten of our mark 3VCRZ. 3 cyl. Vertical Compression Ignition, Marine Auxiliary Oil Engines, at order No. P/IV.6082/91 at our Ironworks, and we agree to pay the fees and expenses incurred for inclusive charge of these services.

This request is made upon the terms of the Rules and Regulations of Lloyd's Register of Shipping, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."

**Ruston & Hornsby Limited,**
