23rd September, 1922.

Dear Sir,

I have to inform you that the S.S. "CITY OF NAGPUR", Messrs. Workman Clark & Co's No.464, has been completed at Belfast with the exception that caps require to be fitted to the top of the short sounding pipes to the oil fuel tanks in the engine and boiler space. These sounding pipes are fitted with self closing cocks.

The vessel is now at your port, and I shall be glad to receive the usual report on form No.8 when the above matter has been attended to, with a view to the classification of the vessel.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Secretary,

GLASGOW.
