I shall be glad to learn what further arrangements have been made for a bower anchor to be supplied to this vessel as recommended by the Baltimore Surveyor last April.

Date:— August 22nd, 1931.

I am now in receipt of a letter from the Owners of the above named vessel who state that the steamer has been away from New York continuously, but upon her return there will have this extra Bower anchor placed on her and will advise us when this is done.

I am, Dear Sir,

Yours faithfully,
