ENCLOSURES.

31st May, 1938.

Dear Dr. Montgomerie,

I am very sorry to have to trouble you, but we have received the attached letter from Mr. Leif Hoegh desiring to be furnished with a certificate in connexion with the use of the deep tanks of his ships when only partly filled with vegetable oils. The enclosed endorsement has been drawn up by Mr. Thomson, and before coming to a decision in the matter the Chairman desires me to obtain a recommendation from you in the matter of Mr. Hoegh's request.

A copy of the endorsement drawn up by you on the 27th instant is enclosed, together with a copy of the memorandum which was drawn up at that time for your use, and I shall be glad if you will return these with your reply.

Trusting that you have had a pleasant journey, and with kind regards,

Yours sincerely,

James Montgomerie, Esq. D.Sc.,  
GENOA.
