Messrs. Lloyd's Register of Shipping,
71, Fenchurch Street,
LONDON E.C.3.

Dear Sirs,

"SLACK" DEEPTANKS.

We thank you for your letter of the 25th inst. on the above subject and note that it will be in order to operate the "HØEGH MERCHANT" and "HØEGH CARRIER" with the deeptanks in "slack" condition.

Some of our captains have asked us to furnish them with a written certificate from your Society with your authority to run the deeptanks "slack". Kindly send us one such certificate for each of the above two ships, also for "HØEGH TRANSPORTER", "HØEGH SILVERSTAR" and the "HØEGH SILVERCREST" (ship No.637 Burmeister & Wain) when she is completed, together with a copy for our own file.

Yours faithfully,

LEIF HØEGH
