Dear Sirs,

"Slack" Deep Tanks.

We thank you for your letter of the 25th inst. on the above subject and note that it will be in order to operate the "HOEGH MERCHANT" and "HOEGH CARRIER" with the deep tanks in "slack" condition.

Some of our captains have asked us to furnish them with a written certificate from your Society with your authority to run the deep tanks "slack". Kindly send us one such certificate for each of the above two ships, also for "HOEGH TRANSPORTER", "HOEGH SILVERSTAR" and the "HOEGH SILVERCREST" (ship No. 637 Burmeister & Wain) when she is completed, together with a copy for our own file.

Yours faithfully,

(Sgd.) &c.
