

Motorships "HOEGH MERCHANT" & "HOEGH CARRIER"

It is submitted Messrs. Leif Hoegh be informed that they are right in presuming that it was not appreciated that the case of the "HOEGH MERCHANT" had been dealt with. It is regretted that this was overlooked, and it is confirmed that the Secretary's letter of the 23rd April 1937 is in order with regard to the "HOEGH MERCHANT" and the "HOEGH CARRIER".
