Dear Sir,

M.

I duly received your letter of the 19th instant regarding your Motor Ships "HOEGH MERCHANT" and "HOEGH TRANSPORTER", and in reply thereto I have to state that the scantlings and arrangements of the deep tank forward of the engine room in these vessels have been examined and are found to be such as could be accepted for the carriage of palm oil with the tanks partially filled.

I am, Dear Sir,

Yours faithfully,

Secretary.

Leif Hoegh, Esq.,
