LONDON E.C.3.

Dear Sirs,

M/S "HØEGH MERCHANT"  
M/S "HØEGH TRANSPORTER".

The above ships are going to carry palm oil from Singapore to Bombay, and as these shipments only amount to 400/450 tons, it follows that the vessels will have to sail from Singapore with slack deeptanks. We presume there will be no objection to this. We understand Messrs. Thompson, London, have got your consent to sailing the British Silverline-ships with slack tanks in like circumstances.

We shall appreciate your early reply and remain,

Yours faithfully,

Dr. LEIF HØEGH
