

S.S. "HARESFIELD".

The Hull and Boilers have been built under the survey of the Society's Surveyors at Sunderland for Classification with this Society.

The Engines made by Messrs. Doxford & Sons Ltd., have been constructed and installed under the supervision of the British Corporation Surveyors and the Certificate issued by that Society is attached hereto.

As it is provided in the Committee's circular letter, dated 16th March, 1918, that in such cases this Society will issue the Machinery Certificate with the notation LMC with date in red, it is submitted this Vessel is now eligible for the record of LMC 7.19. F D

T 3 Cy 27", 44, 73 - 48 N H P 517.
