Dear Sirs,

m.s. "H A V"

We confirm telephone conversation of this afternoon with Mr. Perris, when we enquired as to whether report had been received from your Port Said Surveyor in connection with the damage sustained subsequent to mining, also later damage by fire.

We confirm having requested you to cable your Surveyor for a brief report, and to obtain his opinion as regards the possibility of the vessel's salvage.

Thanking you for your promise to cable to this effect, and hoping to hear from you shortly,

Yours faithfully,  
THE NORWEGIAN SHIPPING AND TRADE MISSION.
