Lloyd's Register of Shipping,

Messrs. Swan, Hunter & 71, Fenchurch Street, E.C.3.

completed a vessel, the Motor vessel "HAV", for Norwegian

Owners who are represented by Messrs. Arnesen, Christensen

16th November, 1939.

and Smith Ltd. The beams of two decks have been constructed

of a patented system which has been called the Free View

system and which is shown in the Register Book to this

S.

I beg to acquaint you that the contents of your letter of the 2nd instant regarding the Motorship "HAV" have received very careful consideration.

With regard thereto I am directed to say that the Committee are averse to printing in the Register Book the name or the description of any patented system, and in addition it is considered the notation in the Register Book should convey some idea of the method of construction in question.

I shall therefore be glad to learn whether it would be convenient for you to have a notation as follows recorded in this case, namely:- "Open beams lugged to decks".

I am, Dear Sirs,
Yours faithfully,

Copy to Arnesen, Christensen &
Smith - NWC,
Secretary.

Messrs. Arnesen, Christensen & Co., A/S.,
