Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

ENCLOSURES.

23rd June, 1939.

Dear Sirs,

Swan, Hunter & Wigham Richardson, Ltd.
Yard No. 1567 - Engine No. 1606.

I return herewith two copies of the plan, forwarded with your letter of the 14th instant, of Pipe Tunnel in Deep Tank, proposed for the above vessel, and have to inform you that this plan will be approved provided the arrangements be as shown and amended thereon and the work be carried out to your satisfaction.

I have to add that since the pipes in the tunnel will be inaccessible when the vessel is in service, the pipes and their sleeve couplings should be of specially heavy construction.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
