ENCLOSURE.

Your Ref:

11th January, 1939.

Dear Sirs,

Messrs. Swan, Hunter & Wigham Richardson, Ltd.  
Yard No.1567 - Engine No.1606.  
-----

I duly received your letter of the 6th instant, forwarding an amended plan (No.C.1684/2B), in triplicate, of boiler casing proposed in connexion with the above contract, and have to inform you in reply that this plan will be approved provided the work be carried out to the satisfaction of the Society's Surveyors.

I have also to acknowledge the receipt of your further communication of the 6th instant, with which you enclose a copy of one received from Messrs. Richards (Leicester) Ltd., together with Works Test Certificates in respect of the material for this casing, and may say that the results of the tests of this material are considered satisfactory. In the circumstances since the casing is not subjected to pressure, no further tests will require to be carried out on the material by the Society's Surveyors.

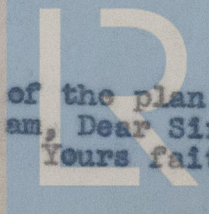

One copy of the plan is returned herewith.

I am, Dear Sirs,  
Yours faithfully,

The Ivor Power Specialty Co.Ltd.,  
Ivor Works,  
KING'S LANGLEY.
