

Shipbuilders: Messrs. *Dwan Hunter & W. R.*

Yard No. *1567*

Engineers: Messrs.

Engine No.

It is submitted that the <sup>amended</sup> plan(s) *Nº C1684/2* of  
*boiler casing* merit(s) approval  
provided the work be carried out to the  
provided *Surveyor's satisfaction.*

The copies of works test certificates  
in connection with the material for  
this casing have been noted and  
are considered satisfactory. Accordingly,  
since the casing is not subjected to  
pressure, no further tests need be  
carried out by the Surveyor on this  
material.

*Advise London Surveyors.*

Return <sup>1</sup> plan.  
Hand *1 copy* to London Surveyors.  
Retain copy.
