Dear Sirs,

Messrs. Swan, Hunter & Wigham Richardson's
Engine No. 1606. (Yard No. 1567).

We now have pleasure in enclosing prints in triplicate of Drawing No. 10601, showing the 1" Safety Valve of Messrs. Shaw, Son & Greenhalgh's manufacture, which we propose to supply for the Waste Heat Boiler.

In view of the nature of this boiler, we assume that the easing lever will not be required, and have therefore struck this off the drawing.

We shall be glad to have your approval of these Drawings so that we can place the order with Messrs. Shaw, Son & Greenhalgh Ltd.

Yours faithfully,
For IVOR POWER SPECIALTY COMPANY LIMITED.

Chief Engineer and Manager.
