Dear Norman,

In reply to your letter of the 23rd instant, the Appleby-Frodingham Steel Co. may have supplied material for the manufacture of headers which are being used in the boiler being fabricated by the Ivor Power Specialty Co. Ltd. for Messrs Swan Hunter & Wigham Richardson Ltd.

If the name of the makers of the headers could be ascertained, it is quite possible the material could be traced.

Awaiting the favour of your further letter,

With kindest regards,

Yours sincerely,

N. W. Betts, Esq.,  
LONDON.
