Dear Cassidy,

The Ivor Power Specialty Co., Ltd., are building a boiler for Messrs. Swan Hunter & Wigham Richardson Ltd., Yard No. 1567 (Eng. No. 1606), and they state that they have received a certificate from the Appleby-Frodingham Steel Co. signed by the Grimsby Surveyors on the 7th February, 1939, in respect of header material. I cannot trace any certificate or advice note for this material and shall be very much obliged if you will kindly let me have a copy for the Surveyors' information.

Thanking you in anticipation and with kind regards,

Yours sincerely,

G. M. Cassidy, Esq.,  
GRIMSBY.
