Dear Sirs,

Messrs. Swan, Hunter & Wigham Richardson Ltd.

Yard No. 1567. Engine No. 1606.

Referring to the visit of your Surveyor, Mr. Smith, to these Works yesterday, we enclose a print of our Drawing C.1684/9, showing the general arrangement of the boiler as fitted to the Diesel Engine, but would mention that this is purely a preliminary arrangement, as we understand that Clients may be slightly modifying the design.

We have to-day despatched the test pieces required by your Surveyor to Messrs. Kircaldy, with instructions that they should inform you immediately they are received, so that you can witness the tests at their Works.

Yours faithfully,
For IVOR POWER SPECIALTY COMPANY LIMITED.

Chief Engineer and Manager.
