Dear Sir,

NO. 1567 SHIP.

We thank you for your letter of the 25th ultimo returning two copies of our plan showing proposed ending of Nos. 2, 3 and 4 Stringers at the Collision Bulkhead.

We have discussed your alternative arrangements with the Owners' representative, and it has been decided to retain the brackets with a tee bar connection to the bulkheads, the tee bar being welded to the bulkhead, and riveted to the brackets.

For your records we enclose herewith print, in duplicate, showing this modification.

Yours faithfully,

FOR
