Dear Sir,

No.1567 Ship.

We thank you for your letter of 25th instant relating to the system of beam construction to be adopted for this ship and the amended spacing of short angle lugs you have agreed with Mr. Overgaard.

In view of the novelty of construction we are looking into this matter carefully and will write to you again later on this subject if we then have any modifications to put before you.

Yours faithfully,

For Swan, Hunter, & Wigham Richardson, Limited.
