Stanley F. Dorey, D.Sc., Esq.,
Lloyd's Register of Shipping,
L o n d o n, E.C.3.

Dear Sir,

Referring to previous correspondence regarding our
6-cylinder, two-stroke, single-acting with welded bedplate and
frame please inform me when it would suit you to take the verbal
discussion in London.

I am not quite sure whether it will be possible for
myself to go to London. In that case our Assistant Director,
Mr. Lund, will go instead.

Yours faithfully,

A. HOUMØLLER.
