10th December, 1938.

Dear Sir,

I have to acknowledge the receipt of your letter of the 6th instant and note that you propose to come to London sometime in January for the purpose of discussing the use of Thomas Steel in the engine which has recently been under consideration.

Since no doubt Dr. Dorey will be in the Office at that time, I suggest that your letter advising the precise date of your arrival should be addressed to him,

I am, Dear Sir,

Yours faithfully,

A. Houmoller, Esq.,
Burmeister & Wain's Maskin-og-Skibsyggeri
Aktieselskabet.
