Dear Sir,

s.s. "Helmspey".

I beg to acknowledge receipt of your letter of the 18th instant and am exceedingly pleased to note that your Committee are prepared to defer the record date of build of the above vessel for the present, provided that arrangements are made for all outstanding matters to be attended to in the early part of the New Year. This is most satisfactory, as the vessel will now count as a 1931 vessel, and I would like to offer your Committee my appreciation of their action.

Yours faithfully,

C. Downing
