18th December, 1930.

Dear Sirs,

I duly received your letter of the 12th instant respecting the question raised by the Owners regarding the date of build of the steamer "HELMSPHY", the contents of which have been noted.

The case has been under consideration today and I have to say that the Committee will be prepared to allow the matter to remain over for the present and the Owners have been so informed.

I enclose for your information a copy of the letter which has been addressed to them on the subject from which you will observe that the Committee contemplate that the survey will be completed in the early part of next year.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
