The Committee of Lloyds,

Dear Sirs,

s.s. "Helmspey".

As you are aware this vessel has been laid up ever since the engines were placed in her, has never done a trial trip, and has not even had her outfit placed on board.

It is of the greatest importance to us that the vessel should be registered at the latest date possible and we are consequently wondering whether there will be any chance of the vessel being registered by your goodselves as a 1931 and not a 1930 boat.

Friends of ours, one of whose vessels completed building about the middle of this year, have already succeeded in getting the steamer classed as a 1931 and not a 1930 vessel.

Awaiting your reply,

Yours faithfully,

The Strath Steamship Co. Ltd.,
