

Lloyd's Register of Shipping,

55, Fawcett Street,

Sunderland, 2nd April 1930.

2 Enclosures

Dear Sir,

We beg to submit for the consideration of the Committee a proposal regarding the date of build of the Steamer "HELMSPFY". Messrs. J.L. Thompson's No. 569.

A copy of a letter from the Owner in which application is made for a later date of build and a letter received from the Builders of the vessel are enclosed.

The items which require to be dealt with in order to complete the Survey for first entry of Classification are the examination and testing of the Steering arrangements and windlass under working conditions.

These items cannot be dealt with until there is steam available on the vessel.

We are, Dear Sir,

Yours faithfully,

A. Pickworth

The Secretary,

LONDON.
