Lloyds Surveyors,  
Commercial Chambers,  
Falmouth.

Dear Sirs,

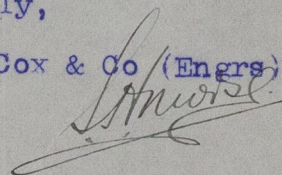

S. S. "Sauerland".

We have been asked by Owners to prepare the above named vessel and machinery for Lloyds Survey, in fact to carry out all work similar to what was done in connection with the S. S. "Cumberland" ex "Wendland".

We shall be glad if you will visit ship and make recommendations for same.

Yours faithfully,

for Cox & Co (Engrs) Ltd.,
