

REFERENCE SHEET.

Admiralty Engineer Overseer, To Lloyds Surveyor,

His Majesty's Ruston & Hornsby Ltd.,

at Lincoln.

Grimsby.

Dated August 15th 1919.

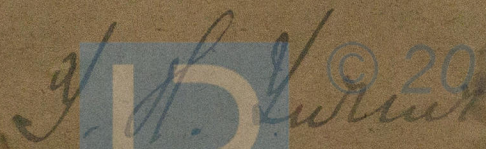

Information required, or notified.

Reference C.P. 109473/19/X. 11487. 21/7/19.

Bolinder engines for the Australian Commonwealth.

I have received a request from the Engineer in Chief's Department, Admiralty, to obtain from you, certificates of tests, of the two 320-4 cylinder Bolinder engines Nos. ¹⁰⁴⁹⁶26954 (Port) and No. 10776 (Starboard) which were inspected by your Surveyors after Trials had been carried out at these works.

Will you please forward as early as possible to this office
