Reference

E.

Dear Sir,

I beg to forward herewith under separate cover
for consideration and approval

Plan No. 69-66 , Crank shaft for main engine, and
" " 74-221, Crank shaft for scavenging pump,
proposed by Messrs. Bremer Vulkan, Vegesack.

Details of the engines please find in the enclosed
Specification sheet.

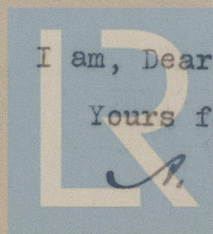

It is stated by the Yard that it has not yet been
decided whether the engines ^{crank shafts} will be fitted with dowel
pins, or without, and they would like to have the approval
given for both instances.

The engines are intended to be fitted in 3 motor
tankers, Messrs. Bremer Vulkan's Yard Nos. 748/749 and
750, for which they have now received an order. Particulars
regarding these vessels will be forwarded to London as
soon as obtained from the Builders. A Special Request form
has been sent to them.

I am, Dear Sir,

Yours faithfully,

The Secretary,
LONDON.
