Dear Sirs,

I return herewith one copy of the plan, forwarded with Mr. Carstensen's letter of the 2nd instant, shewing a proposal to connect the cast steel rudder top piece and the rudder plates by electric welding, instead of riveting, in the case of Messrs. Bremer Vulkan's Yard Nos. 738, 739, 748-750 and 761/762, and with regard thereto I have to state that provided the arrangements be carried out as shewn and to your satisfaction, they will be approved.

The duplicate copy of the plan is being retained for record.

I am, Dear Sirs,

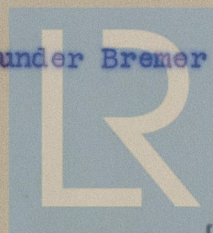

Yours faithfully,

Secretary.

The Surveyors,

BREMEN.
