High Close, Wokingham, Berks.

2nd March, 1942.

My dear Cyril,

I duly received your letter of the 24th ultimo regarding the case of the "INGERTO" and think it well to let you know that we fully concur here in the action taken, and I propose writing to the Norwegian Trade Mission letting them know what you have done and asking them to arrange for the examination of the side bunkers to be held as soon as possible.

As regards the fee, the Surveyors here concur in your view that in the special circumstances no charge should be made for the General Examination now held.

With kindest regards,

Yours sincerely,

C. R. Willis, Esq.  
GLASGOW.
