

me know, for the information which you have received as to the extent of

26 OCT 1938

s.s. "KIA-WO"

Mr. Dean of Messrs. Matheson & Co., Ltd. called to-day and stated that Lloyd's Agent and the River Inspector proceeded to the scene of the stranding on the 14th instant to examine prospects of salvage, etc. and to see whether in their opinion the vessel could be economically refloated or should be abandoned as a Constructive Total Loss. He expects their report in on any day, and promised to advise this Office as soon as he had received their report.
