ENCLOSURE.

5th October, 1938.

Dear Sirs,

With reference to the Boiler Survey Notice which was addressed to the Owners of the steamer "KIA-WO" on the 30th August last, doubtless you are aware that this vessel is reported to have gone ashore in the Yangtze Kiang River on the 26th ultimo after striking a submerged rock, and that according to the latest report she is now shored up high and dry on a reef, but owing to the falling tides it is considered probable she will be safe for the winter.

In the circumstances I think it well to enclose herewith a letter which has been addressed to the Owners, and I shall be glad if you will forward it to them after perusal.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

HONG KONG
