The Company may decline to forward any Telegram although it has been received for transmission, but in that case the Company shall, on request, refund to the Sender the amount paid for the transmission and delivery of such Telegram.

If any Telegram shall fail to reach its destination by reason of any neglect or default of the Company or its Servants, which shall have happened whilst the Telegram remained under the control of the Company, and such failure shall not have been caused by "force majeure," or by other circumstances which the Company could not reasonably have controlled, then the Company shall refund to the Sender of such Telegram the amount paid for its transmission and delivery, less all moneys paid or payable by the Company in respect of such transmission or delivery to any other administration or authority (whether telegraphic or otherwise, and whether working in connection with the Company or not), which shall not be exclusively controlled by the Company.

The Company shall not be liable to refund any part of the amount paid for the transmission or delivery of a Telegram in any case in which the non-transmission or non-delivery thereof has been caused by "force majeure," or by other circumstances which the Company could not have controlled, whether there shall or shall not have been neglect or default on the part of the Company or its Servants while the Telegram was under its control.

The Company shall not, nor shall any other telegraphic administration or authority, be liable in any case whatever to make any compensation or payment beyond the amount (if any) to be refunded as above mentioned, for any loss, injury, or damage arising or resulting from the non-transmission or non-delivery of any Telegram, or for any delay, error, or omission in the transmission or delivery thereof, from whatever cause such non-transmission, non-delivery, delay, error or omission shall have occurred.

For the purposes of these conditions the control of the Company over each Telegram shall be deemed to have entirely ceased when, in the course of the transmission of the Telegram to its destination, it shall have been entrusted by the Company for further transmission by telegraph or by post or otherwise to any administration or authority not exclusively controlled by the Company, and in case of further transmission by any line, system or service of telegraphs, whether the same shall or shall not be worked as part of or in connection with the telegraphic system or service of the Company, and the Company shall have full power to entrust any Telegram for further transmission to any other administration or authority subject to any conditions prescribed by them.

I request that the above Telegram may be forwarded according to the above Conditions, by which I agree to be bound.

Signature and Address of Sender  
(NOT TO BE TELEGRAPHED.)
