Dear Sirs,

s.s. "Tregarth".

The Pontoon Company of Penarth have sent us the account for fixing new pins and bars for Boiler rolling stays, as per their contract to us, and we shall be glad to know if the work has been carried out satisfactorily to you.

We would be obliged if you will write London direct, so that we can have the Certificates posted to us without delay, as the Owners are asking for these.

Yours faithfully,
