Dear Sir,

S.S. "LA CARRIERE"

We acknowledge the receipt of your letter of yesterday and we are pleased to note that the Committee are willing to authorise the Society's Surveyor at Mobile to attend Survey and report on the above vessel when undergoing guarantee inspection at New Orleans.

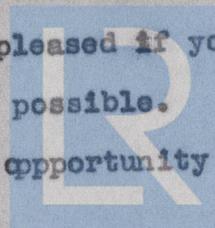

We also note the charges for these special services which are in order.

This vessel is expected to dry dock at New Orleans on or about the 13th prox., and with reference to the necessary instructions and information to enable the Surveyor at New Orleans to proceed, we are preparing a duplicate copy of the Hull and Machinery specifications, together with extracts from our correspondence covering the items which have been brought to our notice since the vessel came into service.

These documents will be forwarded to you immediately they are completed and we should be pleased if you would arrange ^{to} forward them to New Orleans as early as possible.

We would also take this opportunity of thanking you for your kind assistance in this matter.

Yours faithfully, Sgd J. Taylor, Marine Supt.
